Description of the award

This award recognises a general practitioner who has made an outstanding contribution to promoting and providing services to those most in need through meaningful engagement, promoting healthy living, providing more extensive and high-quality health information and creating effective health outcomes.

Applications should demonstrate:

- outstanding leadership and/or teaching in the sector to promote, defend or provide support services to vulnerable populations
- outstanding commitment to providing general practice services to those from vulnerable populations
- excellent engagement with services provided to vulnerable populations.

Judging criteria

- All nominations must meet the eligibility criteria.
- Entries should demonstrate that the individual has gone ‘above and beyond’ the usual scope of general practice.
- Entries should be written in simple English, avoiding jargon and acronyms.
- The nomination must adhere to specifications outlined in this entry form.
**Please fill in the boxes**

1. Provide a description of an approach that demonstrates outstanding leadership and/or teaching in the sector to promote, defend or support services to vulnerable populations (500 words max.).
2. Provide an overview of an approach that demonstrates outstanding commitment to providing general practice services to those from vulnerable populations (500 words max.).
3. Provide a description of an approach that demonstrates excellent engagement with services provided to vulnerable populations (500 words max.).
Before you submit please ensure:

- your attachments do not exceed three A4 pages
- your responses on this entry form do not exceed the specified word counts
- you have read and agreed to the terms and conditions and confirmed eligibility.
